

Sarita Bhise

Satara ke dhuldev gaon ki ye ladki ek khana badosh charvahe ke khandan se taluk rakhti hai, jis ke parents hamesha us ke sath nahi rehte aur wo apni nani aur mamu k sath rehti thi. Ek local NGO ne unki skills ko dekhte hue unka sath diya aur is tarah wo pune ke hostel me pohncchi wahan use proper khane peene ki sahuliyat jab milne lagi to uska hunar me bhi nikhar aane laga.

Sarita jise hockey ke khel se dar lagta tha. Darr se apna khel shuru karte hi 3 mahine me hi hockey coach ne us ki skills ko dekhte hue use goal keeper ki jagah di. Aur 2016 tak wo hockey team ki captain ban gayi.

Maharashtra ke khelo ki General secretary ne use 2020 k Olympic khelo k liye chuna tha. Is mehnati khiladi mein apne maqsad ko sabit karwane ka jazba itna zyada hai ke us ka kehna hai ke "Agar khane ke liye acha khana aur rehne ke liye hostel ki sahulat na bhi hoti to hockey khelna nhi chodungi".
